[redacted]

[redacted] the Institutes under the East German Academy of Sciences are to be increased; the Academy is to undertake industrial as well as basic research; the application of the results of the research is to take place exclusively in Soviet industry; results of research conducted by the Central Office for Research and Technology (ZAFT) are henceforth to be systematically evaluated by the USSR; East Germany is to turn into a huge laboratory. [redacted] the Ministry for Public Health, Dr. Dr. Peliatow (fnu)[1] has already put this system into practice and has sent all of the processes of the East German pharmaceutical industry to Moscow; the shipment of notices, memoranda, photocopies, etc., weighed some 100 kg. Similar action is to be taken with regard to the lumber industry.
